Eligibility

Applicants must live within 50 miles of Dubuque, IA OR be a member of the Dubuque Symphony Youth Ensembles.

Applicants must be enrolled in 8th -12th grades. First place winners are not eligible to enter the competition the following year.

Applicants may perform as instrumental soloists or as part of a duet, trio, or quartet.

Judges

Judges will be professional musicians of the Dubuque Symphony Orchestra. Their performance comments will be made available to each contestant.

Rules

1. Contestant must prepare and perform one movement of an orchestral concerto or other orchestral work, not to exceed 10 minutes in length. Contestants perform their selection with a piano accompanist playing a reduction of the orchestral score. Memorization is not required.
2. Contestant must provide their own accompanist. The DSO is able to assist in finding an accompanist if needed.
3. Contestant must provide 3 copies of their music to the judges. Photocopies are acceptable.
4. Selections must have a published orchestral score that is readily available. If the score to a winner's selection is not readily available, the student may be asked to prepare a different selection for performance with the DSO or DSYO.
5. Contestants will be judged on musicianship, technical proficiency, intonation, ensemble with accompanist, poise, and overall presentation of the work. Because the top prizes in the competition include a potential performance of the concerto movement with orchestra, it is highly recommended that applicants choose repertoire that allows them to perform at their best, rather than choosing repertoire that is impressively difficult.
6. **Entry forms must be received at the DSO office no later than Sunday, March 3rd, 2024.**
